

**International Commerce Mobility, (ICM), Forum #2**  
*(thanks to SRF Consulting Group for hosting our Forum!)*

**Agenda for Tuesday, April 4th**

- + Welcome by Edina Mayor Jim Hovland and Chair of the Global Wellness Connections, (GWC)
- + Greetings and housekeeping items from our hosts, SRF Consulting Group, Todd Polum, President and CEO, and Andy Mielke, VP.
- + Brief introductions of Forum attendees, (name, title and company/organization)
- + Trends Shaping Freight in Minnesota and Related Analytics, by Dr. John Pournoor, Government Analytica
- + “Disruption in the Air Cargo Industry”, from Strategic Aviation Solutions International, (SASI), offering independent aviation advisory, in addition to strategic and business advice, presented by Charles Edwards, Vice President
- + Background and information regarding Liege Airport, (LGG), in the Wallonia Region of Brussels, Belgium, by Stephano Smars, Trade and Investment Commissioner for Wallonia, Belgium
- + The importance of international upper deck, wide body aircraft support in developing sustainable global supply chains, by former MN Secretary of State Mark Ritchie
- + General conversation and key next steps by Bill Goins, VP of Commerce Mobility for the Global Wellness Connections, (GWC), regarding:
  - + How much international air commerce is moving via truck to/from Chicago?
  - + What research and funding are needed to secure the data that is needed?
  - + Why is this current transportation/supply chain system utilized?
  - + What are the alternatives, (options), to this current mobility system?
- + Input from members of this Forum on the key questions and potential next steps
- + A formal summary and remarks by Lee Munnich, Strategic Thought Leader of the Global Wellness Connections, (GWC)
- + Announcing plans for ICM Forum #3 on May 18<sup>th</sup>, 2023 from 3-5PM
